1. Discussed with Mr. Blandford, House Armed Services Committee Staff, the problems regarding repeal of Sec. 9 of the CIA Act. It is Mr. Blandford's suggestion that we merely amend the Act in the form of a correction bill by striking out the figure "\$10,000" and substituting the figure "\$13,000". Mr. Blandford feels that there will be no difficulty with such a procedure, and is preferable than to try to delete Sec. 9.
